

LADIES COMPETITION

The sheet consists of slots for 16 players, if 8 or less go straight to Quarter Finals.

"Names" are drawn from the Hat

It is unlikely that we will have exactly one of these numbers so there are byes for any "un-named" players, the 1st bye going on Game 1, the 2nd bye on Game 2, the 3rd bye on Game 3, etc, until all of the byes are used."

A coin toss determines who throws 1st on the 1st & 3rd legs
